

Cherry Creek Trail

Cherry Creek State Park to Castlewood Canyon State Park 30 miles

Be friendly and courteous.

Share the trail. Ride, walk or run on the right, pass on the left.

Stay on the trail. Creating your own trail creates erosion, damages habitat and causes new trails which cannot be maintained.

Bicyclists yield to runners and hikers.

Keep your bike under control and at safe speed.

Downhill traffic should yield to uphill traffic.

When in doubt, give the other user the right-of-way.

Announce or alert when you are planning to pass.

Anticipate other trail users around corners and blind spots.

Respect wildlife by keeping your distance.

Use caution when using headphones. You may not be able to hear people trying to warn you.

Respect private property.

For maintenance concerns, please call:

In an emergency, call 911.
